Do not use substitute bolt.

** Use 402701 Service Kit for replacement

- This parts list covers several different models: not all of the parts listed may be used on the particular model you are working with.
- When servicing use only **Genuine Factory Replacement Parts (OEM)** that are specifically designed for the particular model that you are working with
- Parts are right or left hand as viewed from the operator's position
- Model specifications are subject to change without prior notice.
- **Do not operate** the chipper/shredder unless all parts are attached and in good working order
- Hopper and/or other painted parts differing only in color may be substituted without notice
